

NON-TOXIC ■ NON-GREASY ■ REEF FRIENDLY

CREATED FOR LIFE IN MOTION™

Surface delivers broad spectrum SPF with 80-minute sweat resistance, fast absorption, and zero greasy residue — engineered for movement, built for everyday use.

NO OXYBENZONE NO OCTINOXATE

We are proud that ALL Surface products are developed free of oxybenzone & octinoxate, making Surface a perfect and healthy choice for every day, all day use.

NON-TOXIC, REEF FRIENDLY, JUNK-FREE

All Surface products are Reef Friendly and free of toxic ingredients. From our lotions and sprays to our flavor-packed lip balms, Surface is the best overall choice for the reef-conscious, eco-friendly person.

BROAD-SPECTRUM UVA/UVB PROTECTION

All Surface products have been tested and approved to provide you broad spectrum sun protection against damaging UVA and UVB rays.

80-MINUTE WATER + SWEAT PROTECTION

All Surface products have been tested to the maximum industry standards of 80 minutes, providing you the maximum protection even while being in water for 80 minutes.

PREMIUM INGREDIENTS, FAIRLY PRICED.

Surface uses ingredients of the highest quality and protection. All Surface products are proudly designed and produced in the USA, giving you a premium sun protection product at an economical price.

SURFACE PROTECTS FACES AND BODIES.

We have developed a premium line of products in a variety of formulations — sprays, sticks, and lotions — for your face and your entire body, providing you optimum sun protection where you need it.

NON-WHITENING, INVISIBLE FINISH.

Surface is the go-to sun protection for athletes and active lifestyles — delivering high-performance, full-body SPF that is non-greasy, feels invisible, absorbs fast, and offers optimal protection through even intense activities and challenges.

ATHLETE-TESTED, EVERYDAY READY.

Surface understands you need unique products for different activities, so we designed a purpose-built line of products in key groups to make sure you're optimally protected from the sun, no matter what the day brings.

NON-TOXIC SUNSCREEN BUILT TO OUTPERFORM

Our sunscreen collection is crafted
to deliver **outstanding protection**
for every activity

DRY TOUCH

UNSCENTED

Our Dry Touch SPF30 & SPF50 Lotion delivers ultra-lightweight, clean-feeling, broad-spectrum protection for daily life in the sun. Fragrance-free, hypoallergenic, reef friendly, and water resistant, it's made to keep up with whatever the day throws your way.

TROPIX™ SCENTED

The same trusted Dry Touch SPF30 & SPF50 protection — with a tropical twist. Lightweight, clean-feeling, reef friendly, and water resistant, our proprietary Tropix™ blend features a signature coconut, mango, and guava scent that brings the beach to your everyday routine.

CUSTOMER TESTIMONIALS

"I seriously love Surface's Dry Touch sunscreen. About 20 minutes into a surf session, it's like my fingers and feet have climbers chalk on them — the dry touch effect kicks in and I can duck dive on my fingertips and crank turns without slipping my foot. It's the best sunscreen I've ever used!"

JOSH, AGE 39 — HAWAII

"Best sunscreen I have ever bought. It goes on without a greasy feel and covers a lot with a small dab. Love this stuff."

R. ANTALL, AGE 42 — CALIFORNIA

MINERAL-BASED FAMILY

Surface Mineral sunscreens are crafted to defend your skin from the sun — and your body from harsh chemicals. Made with the finest natural ingredients and designed for a clean, effortless feel, they redefine everyday protection.

LIP BALM

Surface Lip Balms deliver premium, moisturizing, reef-friendly protection to keep your lips safe in the sun — all day long. Made with high-quality ingredients and available in a variety of flavors.

ALOE VERA BODY CARE

Our Other Body Care essentials keep your skin healthy, hydrated, and irritation-free — from post-sun recovery to your next adventure. With soothing aloe, vitamin E, and lightweight, moisturizing formulas, each product is made with skin-loving ingredients you can trust.
